RE: Examination Report of Group Health/Kaiser Permanente Community Foundation As  
of December 31, 2002.

Dear Mr. Odiorne:

I have received the final examination report for Group Health/Kaiser Permanente Community Foundation as of December 31, 2002. The requested adjustment to accrue the statutory reserve amount on annuities will be recorded as of September 30, 2004. Included will be an adjustment to bring the reserve current to reflect the liability based on the December 31, 2003 actuarial opinion. At December 31, 2004, the annuity reserve will be included in the footnotes of the audited consolidated financial statements as required by RCW 48.38.020(3).

In addition, as confirmed at the exit meeting, the Foundation has corrected the spreadsheets and the particular annuitants' files or ledgers to reflect the proper annuity benefits payable, and that the annuities reserve amounts were calculating correctly.

Thank you for the opportunity to comment

Sincerely,
